August 16, 2006

8. Solicitation Availability:

The solicitation will only be available for downloading directly from the following website: [www.usbr.gov/pn/contracts/construction](http://www.usbr.gov/pn/contracts/construction). Telephone requests for the solicitation will not be accepted. We reserve the right to issue the solicitation on paper or CD-ROM if it becomes necessary, and if you are registered on our website, you will be notified by e-mail. All responsible sources may submit an offer, which will be considered by this agency. Registration is strongly encouraged to receive convenient notification of amendments and other related correspondence. Offerors are responsible for checking our website frequently for amendments or notices, particularly before submitting their bids. Telephone requests for the solicitation will not be accepted. We reserve the right to issue the solicitation on paper or CD-ROM if it becomes necessary, and if you are registered on our website, you will be notified by e-mail.

9. Planholders List: A list of planholders that have registered for this solicitation will only be available by accessing our website at [www.usbr.gov/pn/contracts/construction](http://www.usbr.gov/pn/contracts/construction) after the solicitation is issued.

10. Full-size Drawings: Except for overprinted drawings containing geologic information only, full-size blackline contact prints (without colored overlays) of any drawing contained in the solicitation will be provided upon receipt of a nonrefundable charge of \$0.50 per print, with a minimum charge of \$5.00. Requests and payments for prints of the drawings should be addressed to the Bureau of Reclamation, 1150 N. Curtis Rd., Suite 100, Boise, Idaho, 83706-1234, Attn: PN-3400. Please allow 10 days for processing orders. Charges for full-size drawings include first class postage; if you desire Federal Express Overnight delivery, please provide your Federal Express Acct Number with your request.

11. Safety Handbook: Offerors are advised that the Department of Labor Safety and Health Regulations for Construction promulgated under section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327, et. seq.) and the Bureau of Reclamation handbook entitled "Reclamation Safety and Health Standards" (RSHS) is applicable to the work under any resulting contract. The RSHS is available at [www.usbr.gov/pn/contracts](http://www.usbr.gov/pn/contracts)
